

MASTER KNITTING BUNDLE

The Complete Knitting Education

8 Patterns • Seasonal Releases • 10+ Video Modules • Pattern Design Guide • VIP
Community • Lifetime Access

Everything you need to become a master knitter and create your own designs

Complete Contents

1. Welcome to Master Bundle
2. 8 Core Patterns
3. 10+ Video Course Modules
4. Pattern Design Guide Overview
5. Seasonal Release Schedule
6. VIP Community Features
7. Mastery Roadmap
8. Beyond the Bundle

Welcome to the Master Bundle

You've made the ultimate investment in your knitting journey. This bundle is designed to take you from beginner all the way to master knitter, capable of designing and creating anything you imagine.

What Sets Master Apart

- **Complete Education:** 10+ video modules covering every technique
- **8 Core Patterns:** Carefully sequenced from beginner to advanced
- **Lifetime Updates:** New patterns released every quarter, forever
- **Pattern Design Course:** Learn to create your own patterns
- **VIP Community:** Access to expert knitters and exclusive support
- **One-Time Payment:** No subscriptions, no recurring fees

Commitment: This bundle is for serious knitters. You're making a lifetime investment in a skill you'll love forever.

Time Investment

- **Core patterns:** 60-80 hours total
- **Video course:** 15-20 hours
- **Practicing design:** As much as you want
- **Total Year 1:** 75-100 hours (very doable at 1-2 hours/day)

Your 8 Core Patterns

These patterns are sequenced to build skills progressively. Each one teaches something new.

Progression Chart

Pattern	Hours	Main Skill
1. Dishcloth	1-2	Fundamentals
2. Scarf	3-5	Longer projects
3. Baby Blanket	8-10	Ribs & texture
4. Cable Sweater	12-15	Cables & shaping
5. Lace Shawl	10-12	Advanced lace
6. Fair Isle Cardigan	15-18	Color work
7. Intarsia Blanket	18-20	Picture knitting
8. Your Design	20+	Custom patterns

Your 10+ Video Course Modules

This is a complete knitting education. Watch modules in any order, pause to practice, rewatch as needed.

Module 1: Knitting Fundamentals (25 min)

The absolute basics. Holding needles, yarn tension, basic stitches. Perfect refresher even if experienced.

Module 2: Yarn & Fiber Science (30 min)

All fiber types (wool, alpaca, cotton, synthetic). Weights, yardage, care instructions. How to choose yarn.

Module 3: 20 Essential Stitches (45 min)

Beyond knit and purl. Increases, decreases, twisted stitches, yarn overs. Master the toolkit.

Module 4: Fixing Any Mistake (35 min)

Dropped stitches, laddering down, unraveling sections, fixing tension issues. Nothing is unfixable.

Module 5: Cable Stitches Mastery (30 min)

All cable variations. Left, right, centered cables. Cable charts. Patterns combining cables.

Module 6: Color Work (35 min)

Stranding (carrying yarn). Fair isle patterns. Managing two colors. Intarsia basics.

Module 7: Garment Construction (40 min)

Shaping sleeves. Necklines. Increases and decreases. Seaming techniques. Perfect fit.

Module 8: Lace & Advanced Techniques (35 min)

Yarn overs. Lace charts. Openwork patterns. Blocking. Creating ethereal fabrics.

Module 9: Pattern Reading & Writing (40 min)

Understanding complex patterns. Reading charts. Stitch symbols. Creating your own patterns.

Module 10: Pattern Design Course (60 min)

How to design your own patterns from scratch. Custom sweaters, hats, blankets for your style.

Module 11: Mastery & Professional Techniques (45 min)

Advanced finishing. Professional blocking. Yarn substitution. Troubleshooting complex patterns.

Module 12: Your Knitting Business (Optional, 30 min)

For those interested: selling knitted items, pricing, building a portfolio, craft show tips.

Pattern Design Guide

One of the biggest benefits of Master Bundle: you learn to create your own patterns.

What You'll Learn to Design

- Custom sweater patterns in your exact size
- Unique blanket designs
- Personalized gifts
- Color combinations that work for you
- Modifications of existing patterns

This is where knitting becomes an art form. You're no longer following someone else's vision—you're creating yours.

Design Topics Covered

- Understanding gauge and how it affects sizing
- Calculating stitches and rows
- Creating your own stitch patterns
- Combining techniques (cables + lace, etc.)
- Writing patterns others can follow
- Testing and refining your design

Seasonal Pattern Releases

This is where Master Bundle keeps giving: Every quarter, new patterns are released. All included forever.

Release Schedule

Winter Release (December): Cozy items, festive colors, gift-friendly patterns

Spring Release (March): Light garments, flower-inspired colors, baby items

Summer Release (June): Light layers, cotton patterns, travel-friendly projects

Fall Release (September): Cozy wraps, autumn colors, transition pieces

What This Means

You never "finish" this bundle. It grows with you. New inspiration 4 times per year, forever.

Investment value: After 2-3 years, you'll have 40+ patterns. The per-pattern cost becomes incredibly low.

VIP Community Access

Your Master Bundle includes access to our VIP knitting community—1000+ serious knitters from around the world.

What's Included

Project Showcase

Share photos of your finished (and in-progress) projects. Get compliments and feedback.

Expert Q&A

Ask questions directly to experienced knitters and instructors. Get answers fast.

Live Sessions

Monthly video calls where expert knitters demonstrate techniques and answer questions.

Pattern Library

Members share variations and adaptations of patterns. Learn from others' experiments.

Accountability Groups

Join groups working on the same projects. Share progress, celebrate finishes together.

Global Community

Connect with knitters from 50+ countries. Share techniques, cultural patterns, traditions.

Community Rules

- Be supportive and encouraging
- No judgment—all skill levels welcome
- Share knowledge freely
- Celebrate others' progress

Your Path to Mastery

Phase 1: Foundation (Weeks 1-4)

Patterns 1-2 (Dishcloth, Scarf). Review fundamentals. Build muscle memory.

Watch Modules 1-3. Get comfortable with basic techniques.

Share work in community. Get feedback and encouragement.

Phase 2: Building (Weeks 5-12)

Patterns 3-4 (Blanket, Sweater). Learn cables and shaping.

Watch Modules 4-6. Cables, fixing mistakes, color work.

Start designing simple modifications of existing patterns.

Phase 3: Advanced (Weeks 13-24)

Patterns 5-6 (Shawl, Cardigan). Master advanced techniques.

Watch Modules 7-9. Garments, lace, pattern reading.

Start designing your first original small pattern.

Phase 4: Mastery (Months 7+)

Patterns 7-8 (Intarsia, Your Design). Complete major projects.

Watch Modules 10-11. Pattern design mastery.

Design patterns confidently. Create gifts and portfolio pieces.

Help others in community. Give back.

Beyond the Master Bundle

After You Complete the Core 8

You now have skills to:

- Design any pattern you imagine
- Knit complex, beautiful garments
- Teach others to knit
- Create custom gifts
- Potentially sell your work

Optional Next Steps

Advanced Specialization

Focus deeply on one area: cables, lace, colorwork, garment design, or anything else that excites you.

Teaching Others

Share your skills. Start a local knitting circle. Teach friends and family.

Knitting Business

If interested, we have optional module on selling your knitted items (on Etsy, local markets, etc.)

Community Leadership

Become a mentor in our VIP community. Help newer knitters on their journey.

You're in Good Company

Master Bundle members include:

- Complete beginners who became masters
- Busy professionals who knit in evenings
- Retirees with new creative passion
- People healing through craft
- Artists exploring a new medium
- Gift-givers creating from the heart

You belong here.

Your Master Bundle journey starts now.

Welcome to the world of master knitting. 🧶

Master-Level Resources & Network

Elite Learning Platforms

- **Craftsy Premium** - Professional-level advanced classes from master knitters
- **Skillshare Pro** - Unlimited access to design and specialty classes
- **Master Knitter Programs** - Search through TKGA (The Knitting Guild Association) for certification paths
- **Designer Collaborations** - Many famous designers teach exclusive workshops

Expert Designers & Channels to Follow

- **Purl Soho (@purlsoho)** - Must-follow for advanced construction and design theory
- **VeryPink Knits (@verrypinkknits)** - Master-level techniques and pattern analysis
- **Tin Can Knits (@tincannits)** - Innovative pattern design and modern aesthetics
- **Flax & Twine (@flaxandtwine)** - Minimalist, wearable design philosophy
- **Nimble Needles (@nimbleneedles)** - Technical mastery and advanced troubleshooting
- **TechKnitting Blog** - Deep scientific understanding of knit construction

Professional Communities

- **TKGA (The Knitting Guild Association)** - www.tkga.com - Master Knitter certification program
- **Ravelry Designer Network** - Connect with professional pattern designers
- **Yarnspirations Community** - Professional-level pattern exchange
- **Local Yarn Guild Meetups** - Find advanced study groups in your area

Advanced Reference Books (Your Library Should Have)

- **"The Knitter's Book of Knowledge"** by Debbie Bliss - Your constant reference
- **"Knitting Essentials"** by Margaret Radcliffe - Technical mastery bible
- **"The Knitter's Design Workshop"** by Melissa Leapman - Advanced design concepts
- **"Yarn Investing"** by Jared Flood - Master fiber selection and qualities
- **"The Knitter's Companion"** by Debbie Bliss - Advanced problem solving
- **"Color Knitting the Easy Way"** by Melissa Leapman - Colorwork mastery
- **"The Knitter's Guide to Yarn"** by Clara Parkes - Fiber science and selection

Premium Yarn & Supplies

- **Purl Soho Shop** - Curated high-quality yarns from independent makers
- **KnitPicks** - Professional-grade needles and affordably-priced quality yarn
- **WEBS (Master Knitter Frequent)** - Premium brands, expert advice line
- **Local Yarn Shops** - Build relationships with independent shops in your area
- **Designer Yarn Lines** - Support independent yarn dyers and producers

For Pattern Design & Selling (Optional)

- **Ravelry Designer Account** - Sell your patterns to the global community
- **Etsy Shop** - Sell physical knitted items and patterns
- **Craftsy Instructor Program** - Teach your own knitting classes
- **Pattern Writing Software** - StitchMastery, Knit Foundry for professional patterns
