Welcome to Starter Pack

You've completed the Beginner Bundle. Now it's time to level up.

What You'll Learn

- Cable stitches (fancy-looking textures)
- Shaping (make fitted garments)
- New stitch patterns (ribbed, twisted, and more)
- Fixing advanced mistakes
- Choosing yarn for different projects
- Confidence to design your own patterns

Your 5 New Patterns

Ribbed Baby Blanket - Learn consistent ribbing

Cable Knit Socks - Master the cable stitch on small needles

Lace Shawl - Decorative stitches and blocking

Textured Sweater - Shaping, seaming, and fit

Designer Cowl - Combine skills into something unique

How Long This Takes

Total: 40-50 hours of knitting

Timeline: 4-8 weeks if you knit 1 hour per day

Can go faster or slower? Yes! This is your pace. No deadlines.

Your Video Course

This course has 5 modules (about 2-3 hours total). Watch them in any order, pause to practice, rewatch as needed.

Module 1: Yarn Selection & Fiber Prep (25 min)

Your 5 Patterns At a Glance

Pattern	Time	Learn
Ribbed Baby Blanket	8-10 hrs	Ribbed patterns
Cable Knit Socks	6-8 hrs	Cable stitch
Lace Shawl	10-12 hrs	Lace stitches
Textured Sweater	12-15 hrs	Shaping & fit
Designer Cowl	6-8 hrs	Combine all skills

PATTERN 1: Ribbed Baby Blanket

Difficulty: Beginner+

Time: 8-10 hours

Finished Size: 24" x 30"

Yarn: 1200 yards worsted weight

What You'll Learn

- Ribbed stitches (knit-purl combinations)
- Larger projects
- Consistent tension across many rows

Materials

- US 9-10 needles
- Worsted weight yarn, 1200 yards

Pattern

Cast on: 40 stitches

Row 1: K2 (knit 2), P2 (purl 2), repeat across

Row 2: P2, K2, repeat across

Repeat Rows 1-2 until piece measures 30 inches long

Bind off in ribbed pattern

Notes

- Ribbed patterns look fancy but are just alternating knit and purl
- Keep tension consistent. Ribbed stitches are forgiving if tension varies slightly
- This blanket makes an amazing newborn gift!

PATTERN 2: Cable Knit Socks

Difficulty: Intermediate

Time: 6-8 hours

Finished Size: Adult small/medium

Yarn: 400 yards fingering weight

What You'll Learn

- Cable stitches (the fun twist!)
- Small circumference knitting
- Shaping (toe and heel)

Cable Stitch Explained

A cable is made by temporarily moving stitches to a cable needle, knitting the next stitches, then knitting the stitches from the cable needle.

Example: Cable 4 front means:

1. Slip 2 stitches to cable needle
2. Knit 2 stitches from main needle
3. Knit 2 stitches from cable needle
4. Result: A twisted "cable" pattern

Materials

- US 2-3 circular needles (small circumference)
- Fingering weight yarn, 400 yards
- Cable needle

Basic Sock Pattern

Cast on: 60 stitches (on circular needle)

Leg (1.5 inches): Work ribbed pattern

Foot section (4 inches): Cables every 8 stitches

Heel: Work back and forth on 30 stitches

Foot to toe: Continue cables

Toe: Decrease to point, bind off

Note: Sock knitting has a learning curve. That's okay! Watch the video twice if you need to.

PATTERN 3-5: Summary

Pattern 3: Lace Shawl - A triangular shawl with decorative holes (yarn overs)

Pattern 4: Textured Sweater - Your first fitted garment with sleeves

Pattern 5: Designer Cowl - Combine cables and color to make something unique

Full detailed instructions for patterns 3-5 are included in your video course materials.
